Thinking about applying for the DISCCRS VIII Symposium?
Read our report on the previous Symposium to learn more about the experience:
http://discrcrs.org/files/DISCCRS_VII_Symposium_Report.pdf
Then apply for DISCCRS VIII: http://discrcrs.org/application_instructions
Don't wait! The application deadline is February 28, 2013!

DISCCRS is supported by the U.S. National Science Foundation Collaborative Grants SES 0931402 to University of Oregon and SES 0932916 to Whitman College and NASA Grant NNX10AJ53G to Whitman College.

The purpose of DISCCRS News is to distribute information of potential interest to U.S. recent PhDs engaged in interdisciplinary climate-change research and is generally sent weekly on Mondays. It also provides an international forum for the exchange of information and opinions regarding research, professional and social issues to foster a global sense of community among recent grads. The views and opinions expressed do not necessarily reflect those of the funding agencies or sponsoring societies. The editors reserve the right to edit or reject material submitted to the list. Many of the articles in the News section are taken from daily updates posted by Sigma Xi, The Scientific Research Society's Science in the News.
