DISCCRS News

November 11, 2014

Looking for more **career resources**? Check out the Career Resources page of the DISCCRS website (<http://disccrs.org/career>) for a great collection of resources for developing professional skills, locating funding opportunities, crafting grant proposals, and more.

RESOURCES

CIRCLE-2 Climate Adaptation Frontiers Conference Report - Portugal - March 10-12, 2014 - <http://adaptationfrontiers.eu/?id=final-report>

This conference marked the end of the CIRCLE-2 ERA-Net project and 10 years of European cooperation in Climate Change Impacts, Vulnerability and Adaptation research. The results now presented intend to contribute to the development of new research in support of Climate Change Adaptation in Europe, over the next decade and beyond.

Report: Climate Change Indicators in the United States - U.S. Environmental Protection Agency - <http://www.epa.gov/climatechange/science/indicators/index.html>

Climate Change 2014 Synthesis Report - IPCC Fifth Assessment Synthesis Report - November 1, 2014 - http://www.ipcc.ch/pdf/assessment-report/ar5/syr/SYR_AR5_LONGERREPORT.pdf

DISCCRS is supported by the U.S. National Science Foundation Collaborative Grant SES 0932916 and NASA Grant NNX10AJ53G to Whitman College.

The purpose of DISCCRS News is to distribute information of potential interest to U.S. recent PhDs engaged in interdisciplinary climate-change research and is generally sent weekly on Tuesdays. It also provides an international forum for the exchange of information and opinions regarding research, professional and social issues to foster a global sense of community among recent grads. The views and opinions expressed do not necessarily reflect those of the funding agencies or sponsoring societies. The editors reserve the right to edit or reject material submitted to the list.
