FORUM

Edward L Miles Dec. 21, 1939 - May 2, 2016

From Ron Mitchell: Ed Miles passed away in early May. Ed was a mentor at DISCCRS II in Asilomar California in 2006 and was a great friend of DISCCRS. I expect many of you knew Ed Miles and a larger set of people would surely know his work on international environmental politics, including Miles, Edward L., Arild Underdal, Steinar Andresen, Jørgen Wettestad, Jon Birger Skjærseth, and Elaine M. Carlin, eds. 2002. Environmental Regime Effectiveness: Confronting Theory with Evidence. Cambridge, MA: MIT Press. Ed was a great scholar and a great person. It is sad that he has passed away.
