Greenland's ice sheet is in danger. Here's what we're seeing on the frozen landscape. - Washington Post - August 25, 2016 - <https://www.washingtonpost.com/news/energy-environment/wp/2016/08/25/greenlands-ice-sheet-is-in-danger-heres-what-were-seeing-on/>

Delaware-Sized Chunk of Ice Could Dislodge from Antarctic Shelf - EcoWatch - August 25, 2016 - <http://www.ecowatch.com/antarctic-ice-melt-1986406994.html>

As sea levels rise, nearly 1.9 million U.S. homes could be underwater by 2100 - Washington Post - August 24, 2016 - <https://www.washingtonpost.com/news/energy-environment/wp/2016/08/24/as-sea-levels-rise-23-states-could-see-nearly-1-9-million-homes-underwater-by-2100/>

Do biofuels harm the planet more than gasoline? - Christian Science Monitor - August 27, 2016 - <http://www.csmonitor.com/Environment/2016/0827/Do-biofuels-harm-the-planet-more-than-gasoline>

FORUM

Think It's Hot Now? Just Wait - New York Times - August 20, 2016 - By Heidi Cullen - http://www.nytimes.com/interactive/2016/08/20/sunday-review/climate-change-hot-future.html?_r=1

JOBS

Looking for more job-hunting help? Please visit the News & Links page of the DISCCRS website (<http://disccrs.org/news>) for a list of climate change-related job listservs, or our Career Resources page (<http://disccrs.org/career>) for a great collection of resources for developing professional skills, locating funding opportunities, crafting grant proposals, and more.

Postdoc - Climate Modeling of Land-Atmosphere Interactions - School of Geographical Sciences and Urban Planning - Arizona State University (USA) - <https://geoplan.asu.edu/sites/default/files/11679-postdoc-climatemodeling.pdf>

Postdoc - Food-Energy-Water Systems Modeling - Department of Civil Engineering and Earth and Planetary Sciences - Johns Hopkins University (USA) - http://disccrs.org/newsletter/2016_09_01_Postdoc_JohnsHopkinsU.pdf

DISCCRS NEWS electronic newsletter

Editor: C. Susan Weiler, Whitman College

Associate Editor: Paul H. Yancey, Whitman College

Contributing Editor and Production: Nancy Rose, Whitman College info@disccrs.org

Newsletter Submissions: Please submit job and other announcements of interest to recent Ph.D.s to info@disccrs.org. Send a short message in the body of an e-mail message and link to any appropriate websites.

Register a recent PhD dissertation and **subscribe** to DISCCRS News: <http://disccrs.org/register>

Students may subscribe to DISCCRS News without registering PhD dissertation:

<http://disccrs.org/subscribe>

Address changes: Send address updates to info@disccrs.org Please indicate both former and new address so we can delete old addresses

Purpose: DISCCRS News was created to distribute information and resources of particular interest to U.S. recent PhDs engaged in interdisciplinary climate-change research and is generally sent every week on Thursdays. It also provides an international forum for the exchange of information and opinions regarding research, professional and social issues to foster a global sense of community among recent grads. The views and opinions expressed do not necessarily reflect those of NSF, NASA or any other funding agencies or sponsoring societies. The editors reserve the right to edit or reject material submitted to this newsletter.
