MEETINGS AND SHORT COURSES

Carbon Dioxide Removal/Negative Emissions Technology Workshop PowerPoints - Forum for Climate Engineering Assessment - February 8, 2017 - <http://ceassessment.org/cdr-nets-workshop/>

AMOS National Conference and the International Conference on Southern Hemisphere Meteorology and Oceanography 2018 - Australian Meteorological and Oceanographic Society and the American Meteorological Society - Sydney, Australia, February 5-9, 2018. - <https://www.amos.org.au/Main/ac2018.aspx>

JOBS

Looking for more job-hunting help? Please visit the News & Links page of the DISCCRS website (<http://disccrs.org/news>) for a list of climate change-related job listservs, or our Career Resources page (<http://disccrs.org/career>) for a great collection of resources for developing professional skills, locating funding opportunities, crafting grant proposals, and more.

Postdoc - Ethics and Climate Change - University Center for Human Values and the Princeton Environmental Institute - Princeton University (USA) - <https://puwebp.princeton.edu/AcadHire/apply/application.xhtml?listingId=641>

Postdoc - Spatial land use modeling - Integrated Assessment Modeling group - National Center for Atmospheric Research (USA) - https://ucar.silkroad.com/epostings/index.cfm?fuseaction=app.jobinfo&jobid=218124&company_id=15947&version=1&source=ONLINE&jobOw

DISCCRS NEWS electronic newsletter

Editor: C. Susan Weiler, Whitman College

Associate Editor: Paul H. Yancey, Whitman College

Contributing Editor and Production: Nancy Rose, Whitman College info@disccrs.org

Newsletter Submissions: Please submit job and other announcements of interest to recent Ph.D.s to info@disccrs.org. Send a short message in the body of an e-mail message and link to any appropriate websites.

Register a recent PhD dissertation and **subscribe** to DISCCRS News: <http://disccrs.org/register>

Students may subscribe to DISCCRS News without registering PhD dissertation:

<http://disccrs.org/subscribe>

Address changes: Send address updates to info@disccrs.org Please indicate both former and new address so we can delete old addresses

Purpose: DISCCRS News was created to distribute information and resources of particular interest to U.S. recent PhDs engaged in interdisciplinary climate-change research and is generally sent every week on Thursdays. It also provides an international forum for the exchange of information and opinions regarding research, professional and social issues to foster a global sense of community among recent grads. The views and opinions expressed do not necessarily reflect those of NSF, NASA or any other funding agencies or sponsoring societies. The editors reserve the right to edit or reject material submitted to this newsletter.
