**DISCCRS NEWS** electronic newsletter

**Editor:** C. Susan Weiler, Whitman College

**Associate Editor:** Paul H. Yancey, Whitman College

**Contributing Editor and Production:** Nancy Rose, Whitman College [info@disccrs.org](mailto:info@disccrs.org)

**Newsletter Submissions:** Please submit job and other announcements of interest to recent Ph.D.s to [info@disccrs.org](mailto:info@disccrs.org). Send a short message in the body of an e-mail message and link to any appropriate websites.

**Register** a recent PhD dissertation and **subscribe** to DISCCRS News: <http://disccrs.org/register>

Students may subscribe to DISCCRS News without registering PhD dissertation:

<http://disccrs.org/subscribe>

**Address changes:** Send address updates to [info@disccrs.org](mailto:info@disccrs.org) *Please indicate both former and new address so we can delete old addresses*

**Purpose:** DISCCRS News was created to distribute information and resources of particular interest to U.S. recent PhDs engaged in interdisciplinary climate-change research and is generally sent every week on Thursdays. It also provides an international forum for the exchange of information and opinions regarding research, professional and social issues to foster a global sense of community among recent grads. The views and opinions expressed do not necessarily reflect those of NSF, NASA or any other funding agencies or sponsoring societies. The editors reserve the right to edit or reject material submitted to this newsletter.
